

# GIRL SCOUT "GET TO KNOW NUCLEAR" at RIVER BEND NUCLEAR PLANT

Saturday October 19, 2019

9:00 am - 2:00 pm

Get Energized and "Get to Know Nuclear"!!

Learn about different sources of electric power, including nuclear power, America's largest source of clean air, carbon-free electricity.

Visit the Control Room Simulator for a nuclear plant.

Learn what it's like to work at a nuclear plant.

Nuclear professionals will lead Scouts in interactive exercises and opportunities to learn about electricity production and nuclear energy at Entergy's River Bend Station Training Center in St. Francisville, LA. Nuclear power is a safe, stable, reliable source of low-cost electricity that contributes to America's independence from foreign energy sources.

Open to Girl Scout Juniors (4th grade +), Cadettes, Seniors, and Ambassadors.

Adults are welcome to observe with the Scouts.

**F** Registration limited to first 75 Scouts.

REGISTRATION DEADLINE: Monday October 14, 2019

Cost: \$2.50 per Scout; adults free)

Lunch and a Nuclear Science Merit Badge book are provided  
Pre-registration required.
