

American Nuclear Society
Northeastern Section

Tuesday, March 24, 2020

**SPEAKER: - Pat O'Brien, Manager, Government Affairs
and Communications for CDI at Pilgrim**

For over 15 years, Pat has built a reputation for his proactive communications strategies, government and community relations, and media management in high visibility situations. Prior to joining CDI, Pat previously served 4 years as the Company Spokesman and Sr. Communications Specialist for Entergy's Pilgrim Nuclear Power Station. After Pilgrim's shutdown Pat transitioned to CDI as its Manager, Government Affairs and Communications.

**TOPICS: – Pilgrim Decommissioning Plan; Local
Community Interface and impacts; Hindsight
(personal perspective) – Could shut-down have
been avoided**
