Mrs. Christine H. Roy
Senior Consulting Engineer
Simpson Gumpertz & Heger Inc.
480 Totten Pond Rd.
Waltham, MA 02453

Dear Mrs. Roy,

It is my pleasure to inform you the **ANS Northeastern Local Section** has been selected to receive the 2021 Best Recruiting Program award in the Local Section Meritorious Award competition. Congratulations!

The winning sections for each category are as followed:

- **Best Recruiting Program** – Northeastern Section
- **Best Meetings and Programs** – Savannah River Section
- **Best Public Information and Education** – Idaho Section
- **Best Section Management** – Idaho Section
- **Best Overall** – Idaho Section

This award consists of a certificate and a check in the amount of \$250 for the local section to use at their discretion.

The Local Sections Committee requires that winning sections prepare a presentation on the area(s) they have been selected for either at the LSC workshop at the ANS Winter Meeting or on an upcoming LSC snapshot call. The purpose of the presentation is to share best practices, lessons learned, and provide a how-to for other sections to be able to emulate. Please contact Aubrey Whittington at awhittington@ans.org to notify her if you or someone else from the section will be available to make a presentation.

Sincerely,

Travis Trahan
