Thomas A. Christopher joined AREVA NP Inc. (formerly Framatome ANP, Inc.) as President and Chief Executive Officer in April 2000. Prior to joining AREVA, Christopher was most recently the Vice President and General Manager of the Siemens Westinghouse Power Corporation's Energy Services Divisions. Prior to that, he was Vice President and General Manager of the Westinghouse Power Generation Business Unit's Energy Division.

Christopher joined Westinghouse Nuclear Energy Division in 1973 and served in various management positions. He was General Manager of the Westinghouse Nuclear Service Division from 1982-1995. His nuclear responsibilities included providing field services, engineering, training, I&C, replacement parts, and steam generator services to utilities to keep their nuclear plants running at maximum efficiency.

Christopher holds a Bachelor of Science degree in Mechanical Engineering from the U. S. Naval Academy and a Master of Science degree in Engineering Mechanics from Georgia Tech. He graduated from the Naval Nuclear Program and was a licensed engineering officer of Operating Nuclear Submarines. In 1980, Christopher earned a Master of Business degree from the University of Pittsburgh.
