Ms Werner earned a BA in English from the Virginia Commonwealth University in 1987. After receiving a Juris Doctor from the T.C. Williams School of Law at the University of Richmond, she accepted a position with Babcock and Wilcox Nuclear Services in 1990. A few years later in 1997 she accepted the assignment Quality Assurance Internal Auditor at Lynchburg Manufacturing Facility (LMF) within the Fuel Sector.

Ms Werner was named to the Lead Quality Specialist position at AREVA NP in 2001. This was a valuable and detailed assignments as the organization was seeking ISO certification, and Ms Werner was interested in piloting that implementation.

Currently as Manager for Quality Programs, Ms Werner is responsible for ISO 9001:2000 and 14001 implementation and for the maintenance of our AREVA certifications. The Audits Programs also fall within her purview, which include internal audits, supplier audits, and customer audits. In addition, Ms Werner is responsible for our ASME Code Program and maintenance of our ASME certifications.
